The Main Family is attacking!! ten locations are being targeted simultaneously!
What?!
과
Sfx: Bam

What is our side doing right now?!
Why are we being attacked so easily?!

T-That is...

The criminal organization that the Elder had been keeping has betrayed us and took off with all the money.
I believe they're trying to start a new life for themselves, now that they have the funds to do so
They've bought out everyone from the Branch Family that could be bribed already.
Our family is running real well! Hmph!
털썩
Sfx: Sits!

Where the hell is Aran right now!?
Choose.

HOHOHOHOHOH

Sfx: Swooooosh!

Sfx: Beep

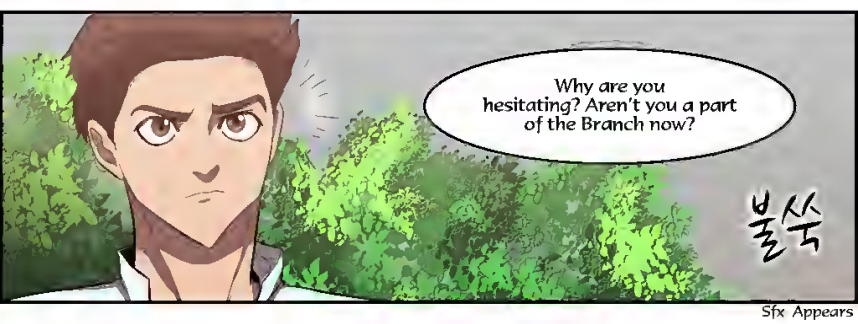
It seems the time
is ripe. Now choose.

LONE MANGA!

Will you receive
our Ki and annihilate the
Main Family or not?
...

It's quite simple.
You'll become strong,
just as you wanted.

Do I have to kill Su-jung, as well?
Why are you hesitating!? At this rate, all of us will die!!
You need these Three Great Masters' Ki and techniques!!
Aran...
...

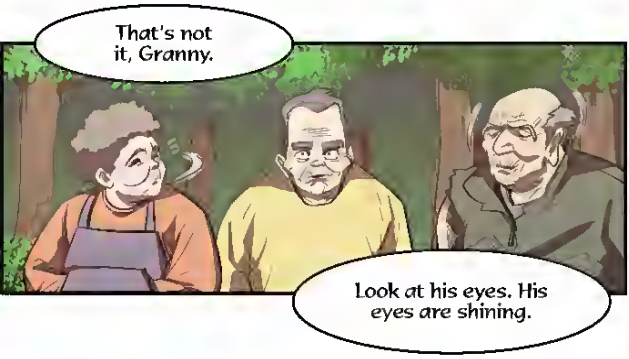


Why are you hesitating? Aren't you a part of the Branch now?
불쑥

Sfx Appears

What is the reason that you came into our world of Murim?
...
...At first...
At first, it was just a coincidence. But now I want to live in this world of my own volition.
As a person of Murim.
I understand you, but life in Murim isn't easy.
There's bound to be people who'd want to hurt you.
I understand, but I believe the world I'm going to live in is this one.

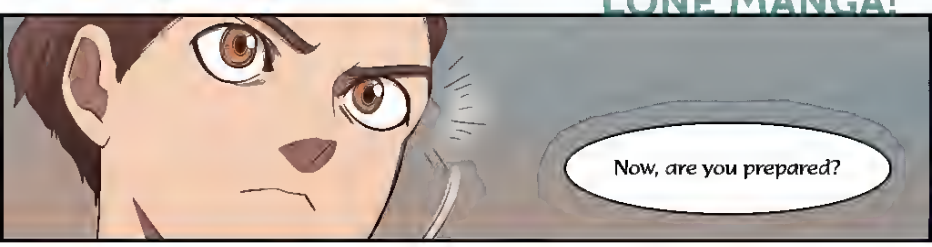
Sigh~~
I know that world is harsh right now, but is it so bad?
I can't believe you would want to live in this violent world of ours...



That's not it, Granny.
Look at his eyes. His eyes are shining.

Those kind of kids can only live in our world.
Don't you think?

LONE MANGA!



Now, are you prepared?

To sever your ties and annihilate them...
